NOTICE TO THE PUBLIC

Good evening, my name is **Ash Kalra** and I am the Chair of the Planning Commission. On behalf of the entire Planning Commission, I would like to welcome you to the Planning Commission Public Hearing of ***Wednesday, July 16, 2008***. Please remember to turn off your cell phones. Parking ticket validation machine for the garage under City Hall is located at the rear of the Chambers.

If you want to address the Commission, **fill out a speaker card (located on the table by the door, on the parking validation table at the back, and at the bottom of the stairs near the Audio-Visual Technician. Deposit the completed card in the basket near the Planning Technician. Please include the agenda item number (not the file number) for reference. Example: 4.a., not PD06-023.**

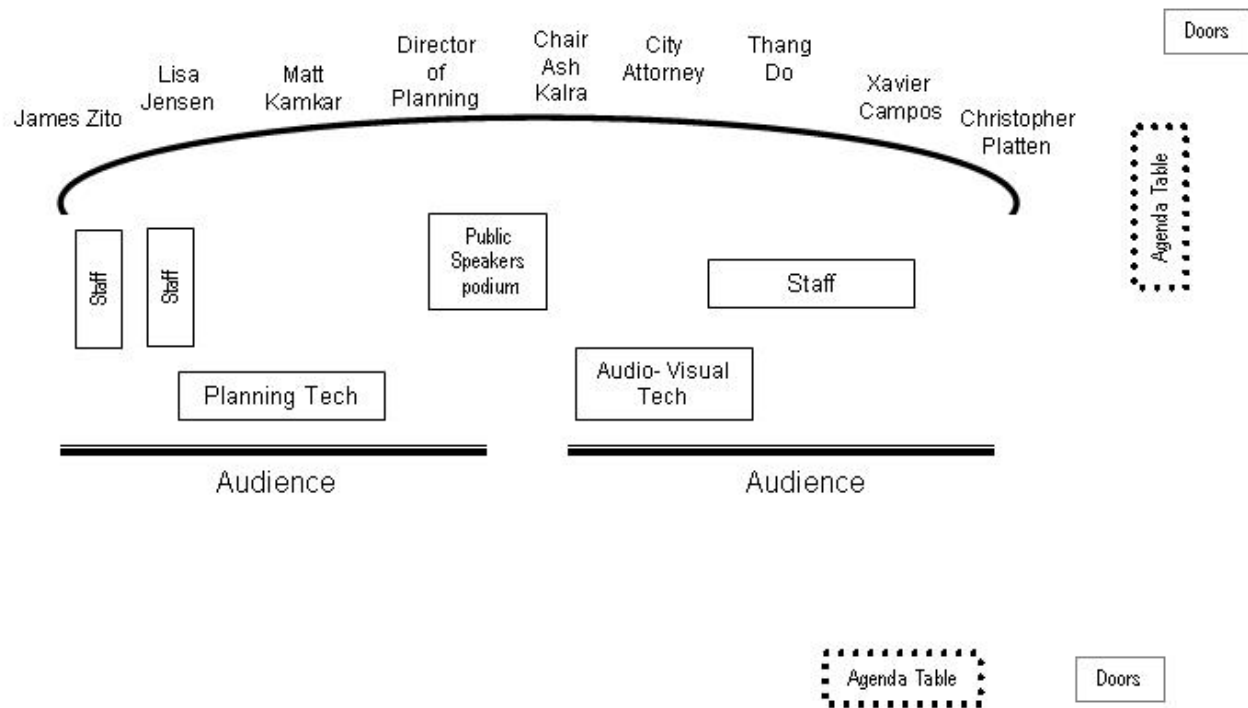

The procedure for this hearing is as follows:

- After the staff report, applicants and appellants may make a 5-minute presentation.
- The chair will call out names on the submitted speaker cards in the order received.
- As your name is called, line up in front of the microphone at the front of the Chamber. Each speaker will have two minutes.
- After the public testimony, the applicant and appellant may make closing remarks for an additional five minutes.
- Planning Commissioners may ask questions of the speakers. Response to Commissioner questions will not reduce the speaker's time allowance.
- The public hearing will then be closed and the Planning Commission will take action on the item. The Planning Commission may request staff to respond to the public testimony, ask staff questions, and discuss the item.

If you challenge these land use decisions in court, you may be limited to raising only those issues you or someone else raised at this public hearing or in written correspondence delivered to the City at, or prior to, the public hearing.

The Planning Commission's action on rezoning, prezonings, General Plan Amendments and Code Amendments is only advisory to the City Council. The City Council will hold public hearings on these items. Section 20.120.400 of the Municipal Code provides the procedures for legal protests to the City Council on rezoning and prezonings. The Planning Commission's action on Conditional Use Permit's is appealable to the City Council in accordance with Section 20.100.220 of the Municipal Code. Agendas and a binder of all staff reports have been placed on the table near the door for your convenience.

The Planning Commission is a seven-member body, appointed by the City Council, which makes recommendations to the City Council regarding the adoption, amendment, or repeal of general or specific plans, and regulation of the future physical land use development, redevelopment, rehabilitation or renewal of the City, including its Capital Improvement Programs. The recommendations to the Council regarding land use development regulations include, but are not limited to, zoning and subdivision recommendations. The Commission may make the ultimate decision on Conditional Use Permits, and acts as an appellate body for those persons dissatisfied with the Planning Director's decisions on land use and development matters. The Commission certifies the adequacy of Environmental Impact Reports.

The San José Planning Commission generally meets every 2nd and 4th Wednesday at 6:30 p.m., unless otherwise noted. Agendas and Staff Reports for Planning Commission items may be viewed on the Internet at http://www.sanjoseca.gov/planning/hearings/planning_com.asp
